

Coming in January
Seminar 12

Research and Life at the NCI Center for
Cancer Research (CCR)

January 26, 2022, 3 – 5 p.m. ET

Application Open: Early Investigator Advancement Program (EIAP)

Goal: to facilitate the advancement of scientists from diverse backgrounds to independent investigators

Aims

- Enhance professional skills
- Guide preparation of an R01 grant application
- Provide access to a mentoring and peer network
- Grow a community of emerging independent investigators from diverse backgrounds

Participant

Focus on Diversity: Participants must be U.S. citizens, legal permanent residents, or non-citizen nationals

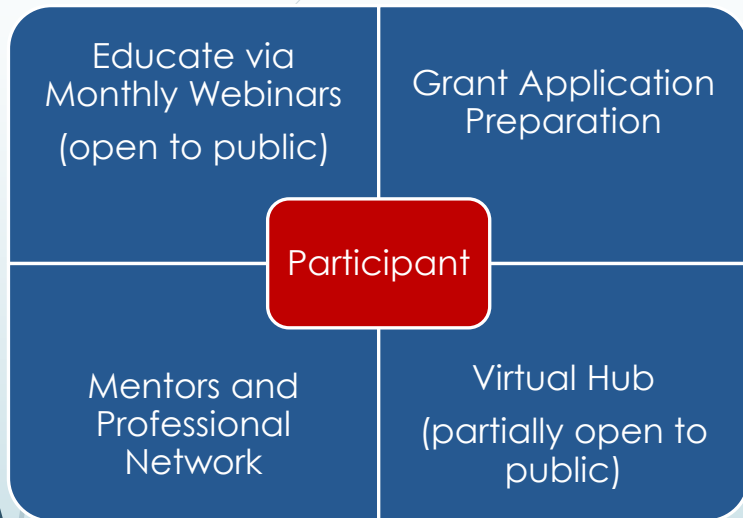

Individuals from groups identified in NIH's Notice of Interest in Diversity ([NOT-OD-20-031](#)) as underrepresented in the biomedical, clinical, behavioral, and social sciences are particularly encouraged to apply.

NIH Notice of Interest in Diversity

- Race and ethnicity
- Disability
- Disadvantaged background

EIAP Program Components

Program Components

Contact: Alison Lin, PhD

EIAP@nih.gov

Apply by December 31, 2021

Pre-Application Webinar

Recording and slides available on webpage:

<https://www.cancer.gov/about-nci/organization/crchd/diversity-training/eiap>

Outcomes for Each Participant

- Complete a R01 grant proposal
- Become part of a group of peers with similar career goals
- Engage with mentors who are established investigators
- Become familiar with job and funding opportunities
- Develop professional and management skills critical to growing a research group
