

NCI Data Science Learning Exchange

Kick-off meeting

04-16-2020

Welcome

- Cancer and Data Science
- Peer to peer support model

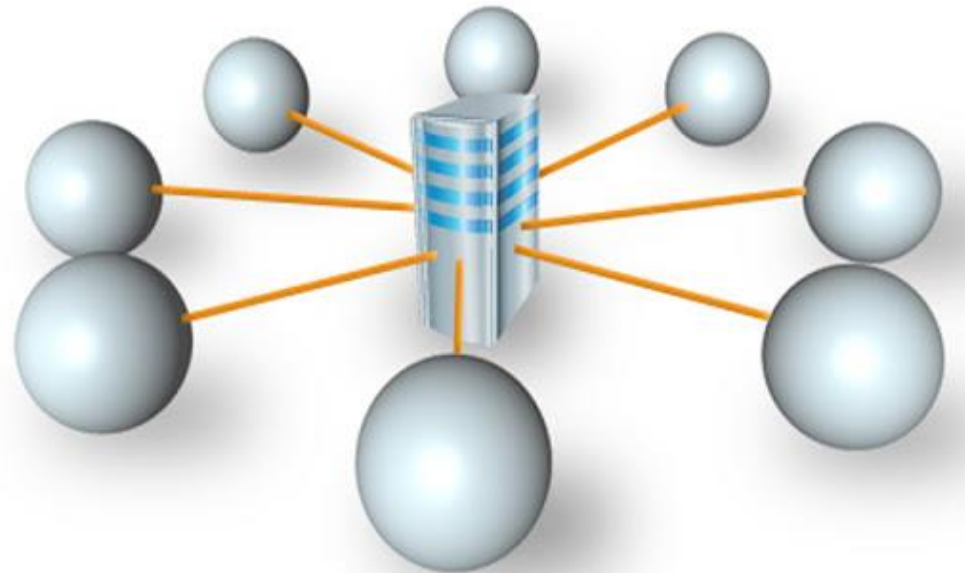

Peer support changes lives.

Overview and goals

- Give you an opportunity to use your social distancing time to learn valuable data science skills.
- Provide a central online location for sharing learning resources, ideas, Q&A

DATAQUEST.IO AND BIOSTAR
HANDBOOK LICENSES

YOUR PEERS

For more information about DATAQUEST.IO or BIOSTAR Handbook licenses, please contact Carl McCabe: (carl.mccabe@nih.gov)

Tips for success

Think about a learning path

Identify skills you need
Research possible solution
Consult with your peers

Learn is how to be self-sustaining in learning

Ask Questions
